

DECLARATION OF RESPONSIBILITY

I (first and last name) ,
student at the Anton Bruckner Private University Upper Austria, hereby confirm that I will undertake an Erasmus+ Mobility from (dd/mm/yyyy) to (dd/mm/yyyy) to the following Institution/Organisation (full legal name, city, country)
.....
.....

I further confirm as follows:

- I will undertake the Erasmus+ Mobility at my own responsibility and my own risk.
- The decision whether a mobility can be started considering a travel advice from the Ministry of Foreign Affairs is the joint responsibility of the sending institution and the Erasmus+ participant. I therefore commit myself to contact the Erasmus Coordinator of my home university before starting my Erasmus+ Mobility, to clarify the current situation and to follow any instructions of my home university regarding the feasibility of the mobility.
- In case of travel restrictions, Erasmus+ Mobilities can start virtually. The aim is that the virtual stay is followed by a physical stay on site for the minimum duration of 2 months. However, the Erasmus+ grant can only be awarded for the duration of physical presence at the host instituion on site. No grant can be awarded for stays completed entirely in the form of e-learning or teleworking from outside the host country.
- I acknowledge that – in the event of a premature termination of my mobility – I cannot claim any additional support or costs from the National Agency and/or the ABPU. It is my sole responsibility to ensure, independently and in due time, that I have sufficient insurance cover for the duration and scope of my travels and Erasmus+ mobility. I am advised to plan my trip in a timely manner and carefully observe cancellation conditions applicable at the time.
- I will comply with all effective national and international laws and regulations of the transit and host countries.
- I take note of the explicit recommendation on travel registration – a service of the Austrian Foreign Ministry (BMEIA Reiseregistrierung) that is available to all Austrian citizens free of charge – and, if employable, carry it out myself.
- In case of short-term travel warnings before departure, problems or uncertainties I will immediately contact my home university (noemi.parraghy@bruckneruni.at) to discuss my options (e.g. postponement of the mobility, delay of the journey, switch to e-learning, etc.) and coordinate the further course of action in accordance with the host institution.
- I have been informed by the Erasmus Office of my obligation to ensure sufficient insurance coverage for the duration of my mobility, of possible risks and dangers, as well as of the conditions of the Erasmus+ grant. I acknowledge that the Erasmus+ grant may have to be reimbursed in full or in part in case of interruption or termination of the mobility.
